Each month we deliver thousands of meals that are feeding more than hunger.

Nourish the body, nourish the soul. All families deserve to gather around fresh delicious food. But finances and lack of close access to produce-driven stores often get in the way. Gathering is a 501c nonprofit provides other nonprofits and families with access to meals that feed more than the belly. Great food makes people feel noticed and honored. It's fuel to feed change.

And make no mistake. We cook great food. Whether you are a company that purchases our food for meetings or events or a receiver of donated meals, it is the same delicious food cooked by our talented professional chefs.
